Dogwood is generally exempt from federal income taxes under 501(c)(3) of the Internal Revenue Code. Under the Code, however, income from certain activities not related to the organization's tax-exempt purpose may be subject to taxation as unrelated business income. The organization had less than \$1,000 of income from unrelated business activities in the year ended December 31, 2015 and was, therefore, not required to file Federal Form 990-T (Exempt Organization Business Income Tax Return). The organization believes that it has appropriate support for all tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements.
